217

III. Clause 4 shall be substituted by the following clause, namely,

"(1) The total number of pages in the issues of a standard-sized daily newspaper during any one week shall not exceed 60 where the newspaper is published on seven days of the week or 48 where it is published on six days of the week and the total number of pages in the issues of any other newspaper during any one week shall not exceed a number which, in the case of a newspaper published on seven days of the week, bears to 60, or, in the case of a newspaper published on six days of the week, bears to 48, the same proportion as the area of the page of such other newspaper bears to 336 square inches.

(2) Where the page of a newspaper varies in size from time to time, the area of the page of the newspaper for the purposes of this clause shall be the area of the largest page.

(3) For the purposes of this clause 'Standard-sized daily newspaper' means a newspaper the area of a page of which including margins and other spaces clear of print, is not less than 336 square inches and not more than 432 square inches".
